

and despair are all too often the results for their families.

Most Internet gambling sites are based in the Caribbean or Central America, beyond the reach of the U.S. Justice Department. It is estimated that the American market generates up to 60 percent of their revenue. The local governments of these jurisdictions are also profiting from online gambling. For example, the Antigua and Barbuda governments are now licensing virtual casinos at a cost of \$75,000 to \$85,000 per site.

While the scourges of gambling addiction are well known, less understood is the fact that Internet gambling poses a serious threat to national security. A recent report by the General Accounting Office emphasized the concerns of law enforcement officials that gambling sites can serve as covers for illegal money laundering by terrorists and organized crime.

Enacting H.R. 556 would give law enforcement officials and bank regulators the necessary tools to crack down on illegal Internet gambling. Banks and credit card companies would be required to block payments to Internet casinos and other gaming operations, and accepting payment for illegal online gambling transactions would be a crime.

Mr. Speaker, I urge my colleagues to join me in supporting this common-sense legislation to help put a stop to illegal Internet gambling for the benefit and protection of American families and businesses.

IN MEMORY OF ROYCE MAGNESS

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 3, 2002

Mr. HALL of Texas. Mr. Speaker, I rise today in memory of a longtime friend and outstanding East Texan, Royce G. Magness of Telephone, Texas, who passed away on August 30 at the age of 76 after a long illness. Royce was a prominent farmer-rancher who owned and operated Magness Farms for almost 50 years, and he was an influential leader in his community.

Royce was dedicated to his vocation and was well-respected for his abilities and his advocacy of farm issues. He was a member of the Fannin County Farm Bureau since 1964 and served as president from 1978 to 1983. He was elected to serve as a Texas Farm Bureau state director from 1983 to 1988, and in 1995, he was honored as one of 13 Texas Farm Bureau Pioneer Award winners from across the state. He was named Fannin County Fanner of the Year in 1988 by the Bonham Area Chamber of Commerce. At his funeral service, it was written that "he believed a man's greatest possession is his dignity and that no calling bestows this more abundantly than farming . . . He believed that farming, despite its hardships and disappointments, is the most honest and honorable way a man can spend his days on this earth."

Royce was a member of the Telephone Baptist Church, where he served as trustee, deacon, Sunday School teacher, and for almost 30 years as treasurer of the church. He was a charter member of the Fannin County Hospital Board, a member of the Fannin County Peanut Association and the Forest Grove Cemetery Board.

He is survived by his wife of 55 years, Jean; two sons and daughters-in-law, Jerry and Brenda Magness of Telephone and David and Shirley Magness of Royse City; a daughter, Marilyn Ackmann of Fort Worth; six grandchildren; two great-grandsons; sister Neva Lewis and husband Bob of Lantana, Fla; and many other family members. In his last weeks Royce spent countless hours with members of his family, retelling funny tales and recalling many happy memories of a lifetime spent in Telephone, Texas.

Mr. Speaker, Royce was a man of tremendous character and integrity. He loved his family, his community, his country, and the land on which he farmed—and to each of these he gave so much of himself. He will be missed by all those who knew him and loved him—but he leaves behind a powerful legacy that will endure. As we adjourn today, let us do so in memory of this great American, Royce Glen Magness.

COMMEMORATING 100 YEARS OF AAA NORTHWEST OHIO

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 3, 2002

Ms. KAPTUR. Mr. Speaker, I rise to commemorate 100 years of AAA Northwest Ohio. For a century, the company has provided quality service to people throughout its region.

Prior to the formation of AAA, a series of small automobile clubs served the 23,000 automobile owners across the country. In 1902 as more people began to own cars, these clubs formed into the federation American Automobile Association, AAA. In that same year, fifteen Toledoans came together to form the Toledo Automobile Club, later renamed AAA Northwest Ohio. Its first president was Dr. Lewis Liffirin. By 1947 the club boasted 10,000 members. Only 15 years later, in 1962, that number had reached 50,000 and in 1989 the milestone of 100,000 members was achieved. Today, AAA Northwest Ohio is over 150,000 members strong.

With its mission to offer the community "exceptional customer service and diverse member benefits along with a commitment to public safety" AAA Northwest Ohio strives to put the customer first. The association provides roadside emergency assistance, a full service travel and insurance agency, and its unique "triptik" maps for travelers.

I am pleased to recognize the invaluable service AAA Northwest has provided to its customers, and congratulate its employees past and present for a century of dedication and commitment to quality.

HONORING THE AMERICAN LUNG ASSOCIATION GENESEE VALLEY REGION 2002 HEALTH ADVOCATES OF THE YEAR

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 3, 2002

Mr. KILDEE. Mr. Speaker, I rise today before my colleagues in the United States House

of Representatives to pay tribute to both an outstanding organization, and an outstanding individual in my hometown of Flint, Michigan. Mott's Children's Health Center has been selected as the 2002 Corporate Health Advocate of the Year and Gloria R. Bourdon has been selected as the 2002 Individual Health Advocate of the Year by the American Lung Association of Michigan-Genesee Valley Region. They will be recognized for their achievements at the 2002 Health Advocate of the Year Awards Dinner on October 30th.

Mott Children's Health Center was founded in 1939 by C.S. Mott to "serve borderline medically indigent children of Genesee County." Today they offer a wide array of services including adolescent services, referral programs, child health strategies, pediatric dentistry and school and neighborhood programs for parents, caregivers and their children. Along with direct services, Mott Children's Health Center has also played a vital role in advocating for children's health issues. Mott Children's Health Center sponsors a number of conferences, workshops, and presentations all with the health of children as their number one priority.

Gloria Bourdon began her career in 1987 at Pinconning Area Schools and Linden Area Schools, teaching children the fundamentals of healthy lifestyles. Through the years since then, Gloria has expanded her classroom doctrine of healthy living and today she is the Director of Health, Safety, and Nutrition Services for the Genesee County Intermediate School District. Her job places her in charge of the health of students in 32 public schools, 9 public academies, and 14 private schools. Through her years of hard work and dedication to children, Gloria has received the Genesee County Child Advocacy Award, the Michigan Association of School Boards Health and Safety Award and the Rainmaker Award presented by HealthPlus.

Mr. Speaker it is indeed an honor and a privilege for me to urge my colleagues in the House of Representatives to join me in paying tribute to the Mott Children's Health Center, and to Gloria R. Bourdon for their years of dedication to the health and education of our most cherished resource on the planet, our children.
